Pupils' Anti-Bullying Policy

At Bordon Junior School we believe that all pupils have a right to learn in a supportive, caring and safe environment, without the fear of being bullied. We promote good behaviour. It is made clear that bullying is a form of anti-social behaviour. It is wrong and will not be tolerated.

What is bullying?

Bullying can be described as being a deliberate act done to cause distress only in order to give a feeling of power, status or 'feel good factor' to the bully.

Bullying can occur through several types of anti-social behaviour. It can be:

- **PHYSICAL** - a child can be physically punched, kicked, hit, spat at, etc.
- **VERBAL** - this can take the form of name calling. It may be directed towards gender, ethnic origin, physical / social disability, personality, etc.
- **EXCLUSION** - a child can be bullied simply by being left out from discussions/activities.
- **DAMAGE TO PROPERTY OR THEFT** - Pupils may have their property damaged or stolen. Physical threats may be used by the bully to make a child hand over property to them.

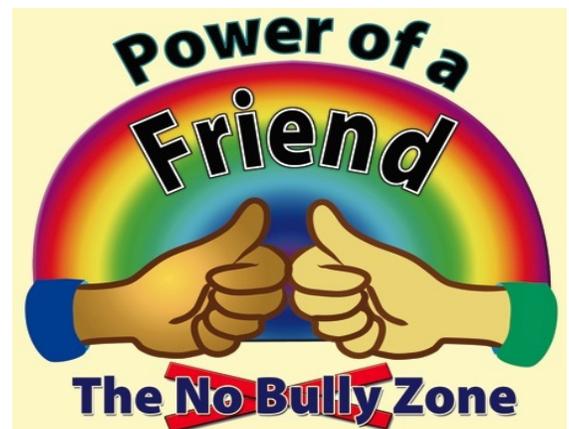

What can children do if they are being bullied?

Each term or when incidents occur, class teachers will discuss bullying and reinforce the following strategies:

- Remember that your silence is the greatest weapon.
- Tell yourself that you do not deserve to be bullied and that it is wrong.
- Be proud of who you are. It is good to be an individual.
- Try not to show that you are upset. It is hard, but a bully thrives on someone's fear.
- Stay with a group of friends/people. There is safety in numbers.
- Be assertive – shout "NO!". Walk confidently away. Go straight to a member of staff.
- Fighting back may make things worse.
- It is best to tell an adult you trust straight away. You will get immediate support.
- Teachers will take you seriously and deal with the bullies in a way which will end the bullying and will not make matters worse for you.

What do you do if you know someone is being bullied?

- Take action! Watching and doing nothing looks as if you are on the side of the bully. It makes the victim feel more unhappy and on their own.
- If you feel you cannot get involved, tell an adult immediately. Teachers will deal with the bully without getting you in to trouble.
- Do not be, or pretend to be, friends with the bully.

The role of parents / carers

Parents have an important part to play in our anti-bullying policy. We ask parents to:

- Look out for unusual behaviour in your children – for example, they may suddenly not wish to attend school, feel ill regularly, or not complete work to their usual standard.
- Always take an active role in your child's education. Ask how their day has gone, who they have spent time with, etc.
- If you feel your child may be a victim of bullying behaviour, inform the school immediately. Your complaint will be taken seriously and appropriate action will follow.
- If a child has bullied your child, please do not approach that child on the playground or involve an older child to deal with the bully. Please inform the school immediately.
- It is important that you advise your child not to fight back. It can make matters worse.
- Tell your child that it is not their fault that they are being bullied.
- Reinforce the school's policy concerning bullying and make sure your child is not afraid to ask for help.
- If you know your child is involved in bullying, please discuss the issues with them and inform the school. The matter will be dealt with appropriately.

Strategies for dealing with bullying

The following is a list of actions available to staff depending on the seriousness of the situation. The emphasis is always on a caring, listening approach as bullies are often victims too – that is why they bully.

If bullying is suspected we will:

- Talk to the suspected victim, and any witnesses.
- Identify the bully and talk about what has happened, to discover why they became involved.
- Make it clear that bullying is not tolerated at Bordon Junior School
- If the bully owns up then sanctions, procedures outlined in the school's Behaviour Policy, will be followed.
- An additional sanction may be to arrange for a child to be removed from the school premises.
- Incidents of bullying are recorded as such in a School Incident Log.
- If the suspected bully does not own up, the school will investigate further. If it is clear that the suspected bully is lying, then sanctions, as above, will be followed.
- Incidents will be monitored to ensure that no repetition occurs. Follow-up findings will be recorded in the monitoring section of the School Incident Log.

This policy is reviewed annually by staff, governors and pupils (through meetings of Young Governors).
