

GUIDANCE FOR PARENTS- What to Do If Things Go Wrong

We are dedicated to providing the best possible education and care for children and we are committed to working in partnership with parents and hope that our relationship will help children to gain the most from their time at school.

If you feel unhappy about any aspect of your child's school life or think that something could be improved, please talk to us about it. Do not hesitate to discuss issues with your child's class teacher or the teacher most closely concerned.

If you are still not happy with the outcome of your discussions please contact the Head Teacher.

Parents who do not achieve satisfaction at this stage should then address a formal complaint to the Governors of the school. Full details of how to do this are available at the school office.
