

Staying Safe When Online

P

RIVATE – keep passwords, personal information, photos and pincodes private. Think about what you say and do online.

H

ELP – if you get that “uh-oh” feeling, talk to an adult that you trust.

E

NCOURAGE – everybody at home and at school to follow the rules for staying safe when online.

W

ISE – stay wise and remember that people are not always who they say they are and that not everything you read is true.
