

## Suggested Reading List Year 6

This is a list of suggestions which your child may enjoy. It is not meant to replace the fun of choosing a book – reading tastes and abilities vary, and new children’s fiction is being published all the time. So keep visiting the library and sharing books with your child – they will not grow out of the need to be read to for many years yet!

There is also excellent children’s poetry and non-fiction, which we have not included here. Most children love both of these too, so variety is the key.

*These lists will be updated frequently, so please give any suggestions to your child’s class teacher.*
