Action Pass News

SUMMER 2017
ISSUE 30

SUMMER FUN Starts With an ACTION PASS!

Summer fun starts here with your Action Pass application. There are lots of new clubs for you to choose from and many of your summer favourites too. But the best news is that the price for an Action Pass remains the same, just £20, a single price that gets you access to as many clubs as you want to take part in. If you wish to choose just one club or select a full week of activities, you pay just one price...£20

Short Courses When completing your application form, make sure you check whether your club is a short course or long course. Short courses typically last 5 sessions, while long courses are spread over the whole term. Exact start/finish dates for the short course clubs will be sent out with club confirmation letters.

On the application section you will also notice a 'Collecting from Clubs' section. Please ensure this is filled in before returning the form to school.

Of course, we will do our very best to make sure as many of you as possible get to take part in the clubs you choose, but certain clubs are massively over-subscribed, so make sure you choose a wide variety of clubs to avoid being disappointed.
